Comment:

- a. The reported name designations are frequently misquoted due to incorrect spelling of the Russian names which most of the sources only knew from hearsay. The sources do not have sufficient knowledge of the organization and may indicate minor officials as managers. The reported names therefore can only be accepted with reserve.
- \* b. Only Gennaior MALTSEV, as general manager of the Wismuth Corporation, and BILANYSK as personnel chief of the German personnel are confirmed by previous reports.
- \*\* c. The man OMIANOV, quoted in this list as deputy manager of Object 2, was named by other sources as the manager of Object 5 (Mikishansk).
